Dear Friends,

Thank you for your \$1,000.00 donation to New Eyes! We are so very grateful for your gift - especially during our *Double Your Donation* initiative with contributions being matched dollar for dollar, up to \$100,000 from an anonymous donor.

Your donation is helping **twice** as many people in financial need to see clearly and live better lives:

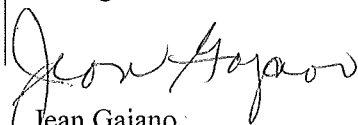

*"I CAN SEE! I'm so happy! It's been a struggle at work and night school not being able to see clearly but I just didn't have enough money to get glasses. Now everything is so clear. Everything is so much better! Thank you New Eyes!"* Ericka, 27, Florida

*"My eyes are happy and so am I! Thank you very much. I am 81 years old. I could not see to read, thread a needle or cook for myself. What a relief not to have to ask strangers to read things for me because I couldn't see. You have changed my life for all the better."* Verna, 81, Kentucky

**You** are changing lives like those of Ericka and Verna with your donation. **You** are giving them the ability to improve their lives. All with the simple yet critical tool of eyeglasses.

Thank you for being a life-changer for these individuals!

With gratitude,

  
Jean Gajano  
Executive Director

*New Eyes is astounded by your generosity! Thank you to all the Lions Club of Warren Twp Foundation who made this incredible gift possible. It will go to foot use to change lives through clear vision - and we are so very grateful!*
